

Curriculum Vitae

Personal Data

Name : Eric Arnold Bergshoeff
Date of Birth : August 5, 1955
Place of Birth : Alphen a/d Rijn (The Netherlands)
Nationality : Dutch
Marital status : Married to Marie-Louise Meijer (Aug 3, 1957)
Father of Floor (Dec 6, 1992) and Pien (Dec 27, 1994)
Address : Centre for Theoretical Physics
University of Groningen
Nijenborgh 4, 9747 AG Groningen
The Netherlands
Phone : +31 503634969 (office)
+31 503634950 (secretary)
Fax : +31 503634947
E-mail : E.A.Bergshoeff@rug.nl
Internet : <http://bergshoeff.fmns.rug.nl/>

Degrees

19 - 06 - 1979 : “Doctoraal Examen” Physics, University of Leiden
18 - 05 - 1983 : Ph.D., University of Leiden
Title thesis: *Conformal Invariance in Supergravity*
Supervisor: Prof. Dr. B.Q.P.J. de Wit

Academic Employment

1983 - 1984 : Recipient of NATO Science Fellowship,
Brandeis University, Boston, USA
1984 - 1988 : Postdoctoral Researcher, ICTP, Trieste, Italy
Fall 1988 : Visitor Imperial College, London, United Kingdom
and NIKHEF-H, Amsterdam
1989 - 1991 : Research Fellow, CERN, Geneva, Switzerland

- 1991 - 1996 : Fellow of the Dutch Academy of Sciences,
University of Groningen
- 1996 - 1999 : Research Leader, University of Groningen
- 1999 - 2001 : “Universitair Hoofddocent”, University of Groningen
- 2001 - present : Professor in Theoretical High-Energy Physics
- 2001 - present : Leader of the Theoretical High-Energy Physics group
- 2002 - present : Director of the Centre for Theoretical Physics (CTN)

Awards and Distinctions

- 1991 : Recipient of a KNAW Fellowship
- 1999 : “Simons Lecturer”, ITP, University of Stony Brook (USA)
- 2007 : Recipient of the Nicolaas Mulerius stipendium 2006,
Groningen University

Membership Professional Societies

- 1998 - 2004 : Member of the Governing Board of the
Dutch Research School of Theoretical Physics
- 2001 - 2006 : Member of the Physics Advisory Board of the
Lorentz Center, Leiden
- 2004 - present : Fellow of The Institute of Physics (I.O.P.)
